Items	Price (parts replacement charge not included)
Sensor	Rs 300
Capacitor 25 microfarad	Rs 350
Capacitor 35 microfarad	Rs 600
Four way valve	Rs 2500

Pipe size (in inch)	Copper pipe price	Insulation
1/2	2500/50ft	150/per piece(2m)
1/4	6000/50ft	110/ per piece(2m)
3/8	3545/50ft	120/ per piece(2m)
5/8	2000/kg	160/ per piece(2m)

**Other accessories like fan, blower, compressor etc. price depend upon the brand and capacity of the air conditioning unit.

** All prices are in Nepalese Rupees (NRs.)

** Price of new ACs depends on the brand, their heating/cooling capacity, functions, type and brand of compressor used, inverter/non-inverter characteristics, type of evaporator/condenser coils, EER/COP values, decibel(dB) of noise indoor and outdoor unit generates, etc. and thus we offer separate quotation according to the brand/model of AC customers chooses. Installation charges needs to be paid extra.

**VAT not included in above prices.
